

TEI 2025

Decarbonization Without Borders: The Global Impact on Transportation Energy

May 19-21, 2025 | San Antonio, TX

Sponsorship Opportunities

Join us in supporting one of the most unique and inclusive conferences in the transportation and fuels industries. Sponsorships help deliver this event, support TEI's overall research agenda and are a great opportunity to give your company exposure to a wide variety of industry leaders over a two-day period and beyond.

Why Sponsor TEI 2025?

- It's a Who's Who of industry experts. We attract all levels of management, many of whom you would not otherwise be exposed to. Your company's logo would be front and center throughout the conference and in our promotional communications before and after as well, creating opportunities for you to expand your reach throughout the transportation sector.
- The subject matter is relevant to your business. 2025 could mark a significant turning point in the direction the transportation sector will evolve. The theme of this year's conference, "Decarbonization Without Borders: The Global Impact on Transportation Energy," provides a comprehensive assessment of market trends and trajectories. As a sponsor, your organization will be presented as a leader in the transportation sector and a resource to which stakeholders can turn to navigate the changing dynamics of the industry.
- Your sponsorship directly supports the objective and fact-based insights provided by TEI research and the organization's efforts to highlight innovation in the transportation sector's road to decarbonization.

We have several opportunities to show your support.

Event Sponsors: \$10,000

Your company logo will be represented throughout the event.

As an Event Sponsor, you will be front and center to colleagues, including new connections.

Your Event Sponsorship will include:

- One complimentary registration
- One discounted registration (\$499)
- A 20–30-minute podcast relating to your company’s efforts toward innovation and decarbonization, which will be promoted through our social platforms and available for your use as well
- A 60-90 second video highlighting your company, which will be presented at the conference as well as through social promotion, and available for your organization's efforts to support the transportation sector
- Highlighted logo and recognition on all signage, conference website and app, plus in The Bulletin newsletter immediately before and following TEI 2024
- Logo on all reception and meal signage
- Logo on lanyard

Reception Sponsors: \$5,000

Your company logo will be represented at both receptions.

Welcome Reception: Monday, May 19th

Networking Reception: Tuesday, May 20th

Your Reception Sponsorship will include:

- One complimentary registration
- A 60-90 second video highlighting your company which will be presented at the conference as well as through social promotion, and available for your organization's efforts to support the transportation sector
- Logo recognition on conference website, at reception, and in distributed materials
- Recognition in The Bulletin newsletter immediately before and following TEI 2024

Networking and Meal Break Sponsors: \$2,000

Your company logo will be represented at all meals.

All Networking Breakfasts and Lunches: Tuesday, May 20th and Wednesday, May 21st

Networking Meal Sponsorship will include:

- One complimentary registration
- Logo and signage at all meals and breaks and in distributed material
- Logo on lanyard
